DEPOT SIGNAGE KIT

Each depot will receive a signage kit, containing all of the materials that you need to execute the Textiles program in your depot. All elements of the signage kit are very important to the success of this program. Once you have posted/hung everything, please take a picture of the signage and send it to marketing@returnit.ca and Encorp will add Textiles to your depot's webpage.

Encorp will supply the participating depots with:

Item	Description
Poster	The 22" x 28" poster should be placed in a visible location so customers are aware of the program and what is accepted.
2 x Bag Buddy	2 Bag Buddies with clear plastic bag insert should be placed in front of the poster.
